The drawing is a technical floor plan with the following details:

- Rooms and Features:** Includes a kitchen area with a sink and stove, a bathroom with a toilet, a bedroom with a bed, and a large open area at the bottom.
- Cable Paths:**
 - Top Right:** A path starting from a ceiling-mounted device, passing through a bathroom and bedroom, with distances like 1,20m, 1,20m, 2,40m, and 2,30m. Cable types include 3R #10, 2R, 1R, and 3R.
 - Left Side:** A path starting from a wall outlet, passing through a bedroom, with distances like 4,00m, 2,60m, and 4,00m. Cable types include 2R and 1R.
 - Center:** A path connecting different rooms, with distances like 3,00m, 4,20m, and 2,90m. Cable types include 2R, 1R, 3R, and #6,0.
 - Bottom:** A long curved path across the open area, with a distance of 5,0m. Cable types include R #10,0.
- Dimensions:** A large vertical dimension of 4,50m is shown on the left side.
- Labels:** Various labels like "A B", "B", and "L" are present near specific cable segments.
