13. FOTO :

A black and white photograph of a small, single-story house with a tiled roof, surrounded by dense tropical vegetation and trees. The house has a central entrance with a small porch and is partially obscured by large trees and bushes. The house is situated in a lush, green environment with various types of trees and plants. The roof is made of tiles, and the walls appear to be light-colored. The entrance is centrally located and has a small set of steps leading up to it. The house is surrounded by a variety of tropical plants, including large trees and bushes. The overall scene is a peaceful, rural setting.

14. LOCALIZAÇÃO :

An aerial photograph of a residential neighborhood. The houses are arranged in a grid-like pattern, with green lawns and trees interspersed. A red circle is drawn around one of the houses, indicating its location. The image is somewhat blurry and has a slightly grainy texture.

15. TRATAMENTO DA ÁREA EXTERNA :

Isolada no lote com ajardinamento.
